2019 Happenings ...

- Jim attended 10 of the 11 Superintendent's Sectional Tour Meetings to connect with Pastors and Church leaders of our NCN District to promote the training now offered online. (Training still available in person)
- Jim filled in as the Interim Pastor at Full Gospel Church of Las Lomas from September of 2018 until the end of March 2019. Each Sunday he led worship and spoke. During the NCN District's Response to the survivors of the Camp Fire, Jim traveled home from Chico on Saturdays to lead the services on Sunday, and then headed right back to Chico. Glad to report that the Los Lomas church was successful in finding a new pastor.
- In February, Jim was elected as Chairman of Northern California VOAD. He now leads NorCal VOAD's Executive Leadership Team, and conducts quarterly meetings for our NorCal VOAD partners.
- Jim attended and served at the NCN ManUp Conference at the end of March.
- Jim attended our NCN District Council at the end of April, where he was able to connect with some of our support team members and friends.

At the end of June, Jim participated in two days of meetings at California Office of Emergency Management in Sacramento. The purpose was to discuss how CalOES Leadership and the Executive Leadership Teams from NorCal and SoCal VOAD can all work together during a disaster.

In June, Joanna graduated from UC Santa Cruz with degrees in Psychology and German Studies, then she and Stephen were married on June 16th, Father's Day, in Scotts Valley, CA. Stephen also completed his first solo mural project at Pono Restaurant in Capitola, then they moved to Portland, OR, to serve as part of the leadership team to launch Hope Church PDX.

Stacie's family is doing well. Marcos is back to work full time, and loves his job. Stacie manages the Jitter Bean Coffee Company in Arcata. Devante is working in San Jose, and Julianna is living and working in Ohio. We did get to keep a family tradition and took Danielle & Malachi camping for 3 days. In the fall, Danielle starts her Senior year in High School, and Malachi starts 8th grade.
