Thanksgiving and Christmas Greetings

In August, Julie and I loaded all of Stephen and Joanna's furniture and traveled to Portland to help them move into, and set up their first home. We got to shop at IKEA, sand & build furniture. We attended church with them, and got to relax at a Portland Timbers MLS Soccer match.

Julie got to make a special trip to Oregon to see Stephen, Joanna, her sister Jeanne, and her friend Lori May.

We made two trips to Eureka; to be with Marcos and family for his 40th Birthday, and to celebrate Thanksgiving. We joined family for breakfast at the historic Samoa Cookhouse. Julie and I visited Pearson's Christmas store in Eureka with Stacie and Malachi. Of course we had coffee and hot chocolate.

Pastor Robert Baker, First Assembly, Auburn, loading Hygiene Kits for Kincade fire survivors

We have been desiring to be closer to our kids and grandchildren, so while in Eureka, we finalized arrangements to move there in the next couple of weeks. We are excited to be in the same town as Marcos and Stacie, and only a short 7 hours away from Stephen and Joanna. While our location has changed, our ministry has NOT.

Rachel Klinge, Fran Russell and kitchen crew

Jim and the NorCal VOAD Executive Leadership Team have been updating the NorCal VOAD Kit (How to start and maintain a local VOAD). We were also asked to make presentations about NorCal VOAD. Jim and members of the Executive Leadership Team made presentations at California Victim Services Summit on Mass Casualty Crime Response for the San Francisco District Attorney's Office and for the California Food Bank's State Convention.

Jim presented at Marin County VOAD's Preparedness Conference and facilitated one of the information panels. 170 people from local city, county and community groups were in attendance. Cal DART's (Disaster Airlift Response Team) held a disaster exercise including a debrief of the exercise and Jim was there to present about NorCal VOAD.

During the Kincade Fire, Jim was asked by local VOAD partners if our NCN Churches could assist with Hygiene Kits and meals. So thankful for our Pastors and Church members who have gone through our training and are willing to work together to serve our communities. The Hygiene Kits, meals and other items provided were greatly appreciated. Thank you Pastors Russell's; Klinge's; Baker's and church members for your service.

We Thank God Every day for our great Support Team

God, family, friends, and our leadership ...

National U. S. Missions Leadership Team:

Executive Director: Rev. Malcolm Burleigh, Administrator: Ramona R. Edgman, Chaplaincy: Rev. Manuel Cordero
