2023 has been filled with travel throughout Northern California as we speak at churches to report on all the work being done in Happy Camp. We continue to build the local church here – we have added a Wednesday Night Potluck, Prayer and Study, that has a very consistent attendance, which includes 3 other churches, and the staff from Hope Crisis Response Network.

Jim's office is back at Lifehouse in the office he used as Christian Education Director from 1984 – 1986.

Devante, Jackie, Jaylen & Elianna.

We traveled to NYC for Jim to Speak at Parkslope Christian Center and we got to spend some time with Stephen who has been working with Thrive Collective as Mural Manager

Jim & Bill set the beams for the subfloor of the now Completed home above. Bill hands the keys to the owners of another completed home.

Julianna and Chris at the Nutcracker. Danielle and Thomas camping. Marcos and Stacie launched the Eye Love Project in January, serving homemade burritos, water, salsa, socks and pet food, to those in need in Eureka. They go out every Sunday, and as you can imagine, it is a family affair (Malachi on the right). They average 50-60 each Sunday, and so far have served over 2,500 burritos .
